This publication implements Air Force Policy Directive (AFPD) 90-2, *The Inspection System*, and is applicable to all Air National Guard (ANG) Logistics Readiness Squadrons (LRS). This C&SRL supports guidance in Air Force Manual (AFMAN) 23-110, *USAF Supply Manual,* and other Air Force publications. Send all **Recommendations for Change of Publication** to the ANG Supply Policy and Procedures section (ANG/LGSPP), 3500 Fetchet Avenue, Andrews AFB, MD 20762-5157.

SUMMARY OF REVISIONS

This document is substantially revised and must be completely reviewed.

For purposes of this publication the term Operations Officer will be taken to mean Chief of Supply.

1. General. The items listed do not constitute the order or limit the scope of the inspection/assessment. As a minimum, units will use this directive in conjunction with unit self-assessment. To add additional internal compliance items units will supplement this policy directive. The Inspector General (IG) may use this publication in whole or in part during evaluations and exercises**.**

1.1. An asterisk (*), when used indicates a key inspection item/area as identified by ANG functional areas. These key areas are the keys to a successful mission and/or items that are required by public laws. In addition, these are items where non-compliance could result in injury of personnel, unnecessary cost, or possible litigation.
